# Introducing HAGA™ 2.0

The latest evolution in our innovative coveless cove lighting series.

Building upon the success of HAGA™ 1.0, This new model caters for electrical cable casing space, delivering sleek and polished look.

**With  
Electrical  
Cable Casing  
Space**

# NO MORE VISIBLE CABLE ON WALL

Haga™ 2.0 ensure a clean and uncluttered ceiling appearance without the need for a false ceiling. The space for electrical cable casing conceals all wiring, eliminating the need for a false ceiling and ensuring a clean, uncluttered look.

ELECTRICAL  
CASING SPACE

# SMART FUNCTION

Haga™ 2.0 Coveless Cove Lighting is more than just a functional upgrade, it's a design evolution with enhanced performance and a refined aesthetic, it seamlessly blends innovation with elegance, elevating any space with its sleek, sophisticated form
